

PRE-EVALUATION FORM FOR BUSINESS MIGRATION

Background: WHAT IS BUSINESS MIGRATION?

Business Skills migration aims to attract business people with a proven record of business skills and expertise. In particular, it looks at your level of experience as a successful business or investment owner, or senior executive. For a quick overview of the Business Skills Migration program, The Business Skills Class is divided into the following sub-classes:

- **Business Owner** - for owners or part-owners of a business;
- **Senior Executive** - for senior executive employees of major businesses;
- **Investment-Linked** - for investors/business people willing to invest in Australia;
- **Established Business in Australia** - for people temporarily in Australia who are owners or part owners of a business;
- **Regional Established Business in Australia** - for people temporarily in Australia who are owners or part owners of a business in a designated area of Australia;

Please fill out the form NEXT PAGE as best you can.

You are invited to receive our NO COST professional assessment, which will typically outline:

- how and why you qualify
- the most appropriate Australian immigration plan
- estimation on processing time
- government, professional and related costs (if any)
